

Off - Ice Training

Off-Ice Training is a **40 minute class** specifically designed for figure skaters. Figure skaters must have strong core strength to complete difficult jumps and spins. Our classes will help to develop muscle strength, balance, and flexibility. Jumps and spins that are taught on ice, will be worked on during off-ice class, giving skaters a comfort level while challenging them. Working on jumps and spins off-ice results in a faster transition to the ice than on-ice training alone.

Cost:

\$254.40 - 8-week program, meeting 1 day per week (minimum 3 skaters per class); Coach Instruction and room fee included.
