

---

On behalf of USA Hockey, the Atlantic District, the New Jersey Youth Hockey League and the Ice Vault Arena, we would like to thank you in advance for taking the time to consider this request and hopefully, gain your support not only for the USA Hockey National Tournament but for the growth and development of youth hockey overall.

USA Hockey, Inc., is the National Governing Body for the sport of ice hockey in the United States. Its mission is to promote the growth of hockey in America and provide the best possible experience for all participants by encouraging, developing, advancing and administering the sport. USA Hockey's primary emphasis is on the support and development of grassroots hockey programs.

At the conclusion of each competitive season, USA Hockey chooses a host for the National Championship Tournament event. This year, the Ice Vault Arena in Wayne New Jersey is proud to be selected as the host of the 2010 USA Hockey Bantam Tier II National Championships from April 7 to 11. This is a prestigious event composed of 48 teams from across the country, including several teams within the metropolitan area.

The teams, parents, friends and USA Hockey representatives will be coming from many locations around the United States for this event and will be seeking the services from businesses in the metropolitan area.

The Ice Vault Arena has become an integral part of the North Jersey community, not only hosting this event, but also other hockey programs and tournament for players of all ages. In addition, we offer public skating, figure skating and birthday parties. We are currently home to 8 area high school teams from Bergen and Passaic Counties, plus the William Paterson University's hockey team. We also are home to the NJ Hitmen, Champions of the Eastern Junior Hockey League, composed of players from all over the country. In a recent study done for Capital One Bank, we had over 318,000 people come to the Ice Vault for various purposes in 2008. With the Nationals in 2010, this number will easily exceed 400,000.

We are pleased to offer you an opportunity to represent and support all of these exemplary talented players. In addition, becoming a sponsor for this event presents an excellent opportunity for you to reach a large market of potential customers.

Enclosed, please find a list of Sponsorship Opportunities, including advertising space in the souvenir tournament program, monetary donations and donations of private products. I hope you will support our efforts.

Please join our parents and volunteers, as together with USA Hockey, the Atlantic District and the New Jersey Youth Hockey League, we help promote the sport and provide a memorable experience for the hockey families.

We thank you for your time and consideration to help support this venue, these players and this event.
